File both the 2016-17 and 2017-18 FAFSA and submit any documents required by the Financial Aid Office at Tompkins Cortland Community College to maximize summer aid eligibility. File online at www.fafsa.ed.gov using Federal School Code 006788. If you have not already filed, please do so immediately. There are NO SUMMER BOOK DEFERRALS OR SUMMER EMERGENCY CASH ADVANCES. Students must be in good academic standing at the end of Spring 2017 grading period to be eligible for any future financial aid.

Outside Agency/Third-Party

Vouchers, authorizations, or payments should be included when returning your bill or be on file at the College. Some examples of third-party payers are employer, scholarship, CCTS & VESID.

New York state residents must provide a valid Certificate of Residence to be eligible for NYS resident tuition. Certificates are issued to you by your home county and are generally valid for a period of one year unless otherwise noted by your county treasurer. You may apply for your certificate no sooner than 60 days before the beginning of classes, but no later than 30 days after the start of classes. If we do not receive your certificate of residence you will be responsible to pay the non-resident portion of your tuition. County-specific instructions and applications are available on our website at tompkinscortland.edu/cert. For assistance regarding eligibility and renewal policies contact your county treasurer’s office.

NOTE: After you are registered, if you decide NOT to attend classes this summer and do not want to incur any tuition charges, you must notify Tompkins Cortland Community College in person (Main Campus, Room 101, or either Extension Center), in writing, by fax 607.844.6541, or by email to regbilling@tompkinscortland.edu no later than the session drop deadline listed above. Continuing students with a GPA of 2.0 or better who have their advisor’s authorization may also use Tompkins Cortland Community College’s On-line registration through myInfo to drop their courses on-line up until the day before each session begins.

****Failure to notify the College that you will not be attending AFTER you are registered for classes (even if you never attend any classes) will result in an administrative withdrawal fee being applied to your account.**

****Failure to officially withdraw or drop your classes can affect your academic record and your future financial aid eligibility. Non-payment of your bill does NOT constitute an automatic withdrawal.**
