**Student Name** \_\_\_\_\_ **Student ID** \_\_\_\_\_

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for verification by the U.S. Department of Education. According to the information reported on your FAFSA, neither you and/or your parents were required to file a 2015 Federal Income Tax Return, or the income reported on your FAFSA appears insufficient to support the number of people living in your household.

To help us understand your family’s financial situation, please list the sources and amount of money that you and/or your parents received during 2015 to help pay the family bills. This may include income sources that were not required to be reported on the FAFSA such as social security, TANF, federal veterans educational benefits, military housing, combat pay, food stamps, SSI or any other untaxed income.

If more space is needed, provide a separate page with student’s name and ID at the top of the page.
